

Brian Thiel, CPA, CVA

Principal

thielb@sva.com 262.923.5213

Brian is a Principal with SVA Certified Public Accountants and helps clients improve their company profitability and protect their investment by clearly understanding their long-term and short-term company and personal goals.

He works closely and proactively with clients, emphasizing customer service and being available for his clients. This approach results in supporting clients with business and personal income tax planning and financial reporting.

Brian provides clients with technical expertise in valuations, litigation support, financial reporting, and individual and corporate taxation. He provides litigation support in divorce and shareholder disputes. He also assists business owners in succession planning, exit planning, value analysis and improvement, and the purchase and/or sale of their company. He works with clients on creating business value through identification of the value drivers and how to improve them.

Brian is a member of the American Institute of Certified Public Accountants (AICPA), the Wisconsin Institute of Certified Public Accountants (WICPA), and the National Association of Certified Valuators and Analysts (NACVA).
