Manager

meddahd@sva.com 719.208.7786

Dija is a Manager at SVA Certified Public Accountants.

She leads audit engagements for nonprofit organizations, public sector entities, and real estate clients, overseeing all phases of the audit process, including engagement planning, risk assessment, internal control evaluation, and financial reporting. She is committed to delivering high-quality assurance services while helping clients navigate complex reporting and compliance requirements.

In addition to leading assurance engagements, Dija helps advance the use of AI within SVA's Assurance and Tax practices. She works with team members to adopt practical, responsible AI tools that enhance audit documentation, improve workflow efficiency, and support high-quality client service.

Known for her collaborative leadership style, Dija is committed to developing high-performing teams through coaching, mentorship, and open communication. She focuses on fostering an environment where team members can grow professionally while delivering exceptional service and value to clients.

Dija is a member of the Colorado Society of Certified Public Accountants (COCPA) and the American Institute of Certified Public Accountants (AICPA).
