

Timothy R. O'Brien, MBA, CFA Principal

Tim is a Principal and the Director of Research for SVA Plumb Wealth Management, LLC. Tim also serves on the firm's Investment Advisory Committee.

Tim provides clients with ongoing, comprehensive wealth management strategies and financial guidance while delivering personalized service.

He develops strategies to preserve assets, plan for retirement, and fund education. He also develops strategies to manage risk and coordinate investments with estate planning needs.

In his role as portfolio manager, Tim works with individual and business clients to establish their financial goals and objective. He then creates and manages portfolios to meet those goals.

Tim is a Chartered Financial Analyst (CFA) and an Investment Adviser Representative.
