Director of Quality Management

totzket@sva.com 719.505.8304

Tammy is the Director of Quality Management for SVA Certified Public Accountants.

Bringing more than 30 years of experience in assurance services to the firm, she supports the firm's assurance practice by focusing on regulatory compliance, financial reporting requirements, and adherence to applicable professional standards.

Tammy has extensive experience with assurance engagements and quality management matters, including interpreting and applying complex accounting and reporting standards. She is particularly knowledgeable in regulatory compliance for entities subject to government oversight. Her background includes working with organizations involved in loan, grant, and hybrid funding programs, providing her with a strong foundation in navigating detailed compliance and reporting requirements.

She brings a practical, detail-oriented approach to her work, combining deep technical knowledge with an understanding of how regulatory and financial reporting requirements impact day-to-day operations. She is known for her ability to interpret complex standards, provide clear guidance, and support assurance teams in delivering consistent, high-quality services while meeting both client needs and professional obligations.

Tammy is a member of the Colorado Society of Certified Public Accountants (COCPA) and the American Institute of Certified Public Accountants (AICPA).
