

Are you planning a conference, seminar or event? Are you looking for an expert speaker for your group or Association on a specific topic? Hi, my name is Matt Vanderloo and I'm a principal at SVA and a member of speaker source. I'm here today to tell you that SVA speaker source is the perfect solution to you. One of the most critical parts of any event is having an engaging and knowledgeable speaker. Would you rather have your audience taking a nap or working on tomorrow's to-do list during your meeting? Or being excited and engaged, telling others what a great experience they had a year ago? Whether you're planning a meeting, a roundtable, an expo or a webinar, SVA has assembled a group of professionally trained speakers or subject matter experts on a wide range of topics from tax planning and wealth management, to healthcare and business technology. SVA has the engaging expert speakers who will leave your audience singing your praises. The speakers schedules fill up quickly, so if you have an upcoming event, call today to check availability or visit [sva.com/speaker source](http://sva.com/speaker-source).
