

Does your group have members that are fast growing businesses, looking to expand beyond their current market into other states? Hi, I'm Jake Peters, senior manager at SVA Certified Public Accountants and I'd like to help you with that. Typically, I speak with businesses and their owners and executives about income tax laws, sales tax laws and other local taxes in any of the 50 states in which they operate. If your group has members that are looking for help in dealing with the complexities of multi-state taxation, call Speaker Source today. Thank you.
