

Did you know that up to sixty-five percent of the proceeds from the sale of your business can go to the government and taxes? I've worked with numerous small business owners to properly structure the sale of their business in order to minimize taxes. Hi, I'm Tom Milliken and I'm a CPA with SVA Certified Public Accountants. I'm called upon to speak before groups on matters involving changes in tax laws, succession planning and state and local tax matters. If you'd like me to speak before your group contact Speaker Source today.
