

Andrew Petrasko

Principal

petraskoa@svaconsulting.com 608.826.2331

Andrew is a Principal with SVA Consulting, a member of the SVA family of companies.

In his role, Andrew assists his clients with diagnosing complex problems and works collaboratively with stakeholders to envision and deliver effective solutions. He has proven execution skills in high velocity cycles and successfully manages programs for large engagements. He specializes in stakeholder relationship management and facilitates strong relationships across diverse groups of people to ensure effective communication and business engagement. Client leadership teams depend on Andrew to deliver desired outcomes.

As a subject matter expert, Andrew uses his supply chain background to help emerging life science clients develop supply chain strategies to ensure successful product launches.

Andrew believes that meaningful working relationships are critical for the success of any project. He easily establishes rapport and effectively communicates with team members at all levels of an organization.
